“Heart of Children” THE CAMPAIGN

Elvis is first child who received surgery in Italy thanks to “**Heart of Children**” campaign of “aiutare i bambini” Foundation.

Elvis was suffered the surgical intervention at the Sant’Orsola Malpighi Hospital of Bologna in 2005 and then he came back to Zimbabwe.

Today Elvis is a healthy child!

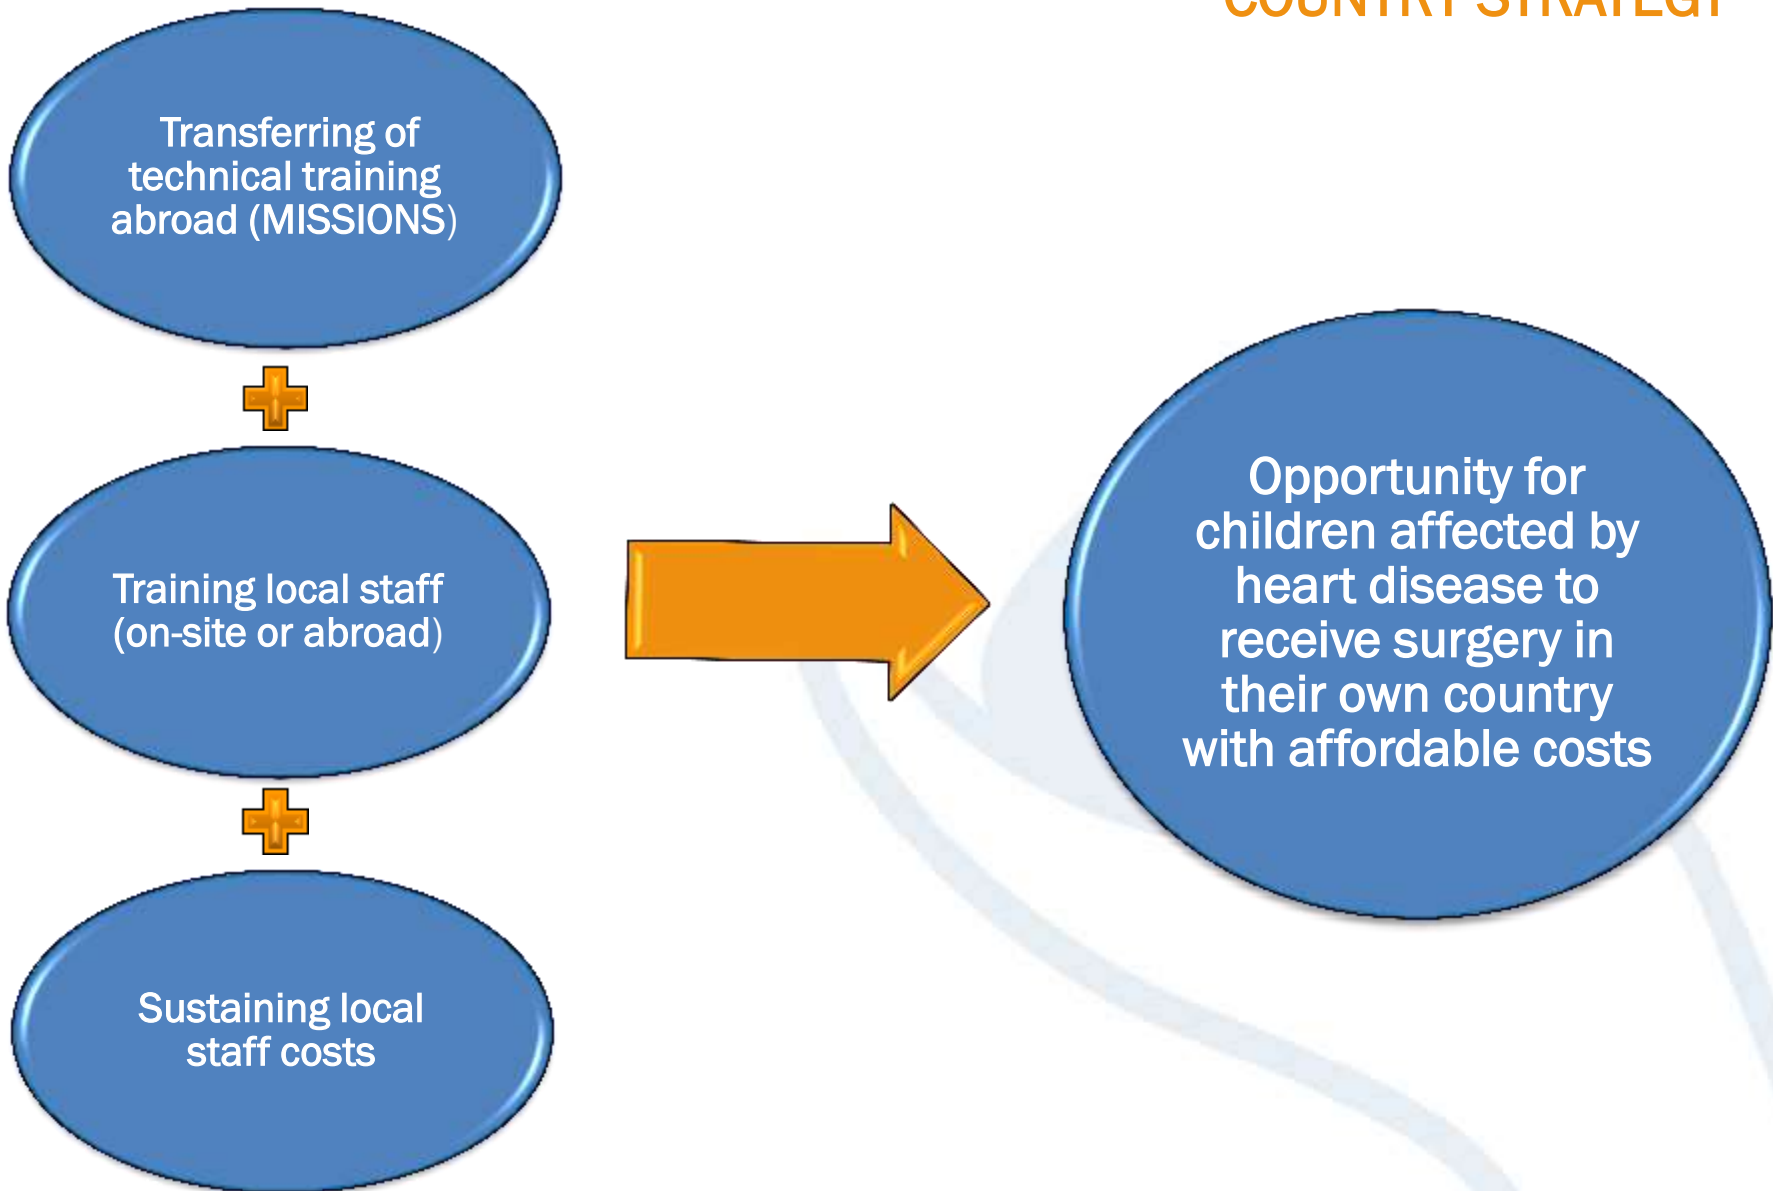

GOAL: to reduce child mortality for causes related to congenital or acquired heart diseases

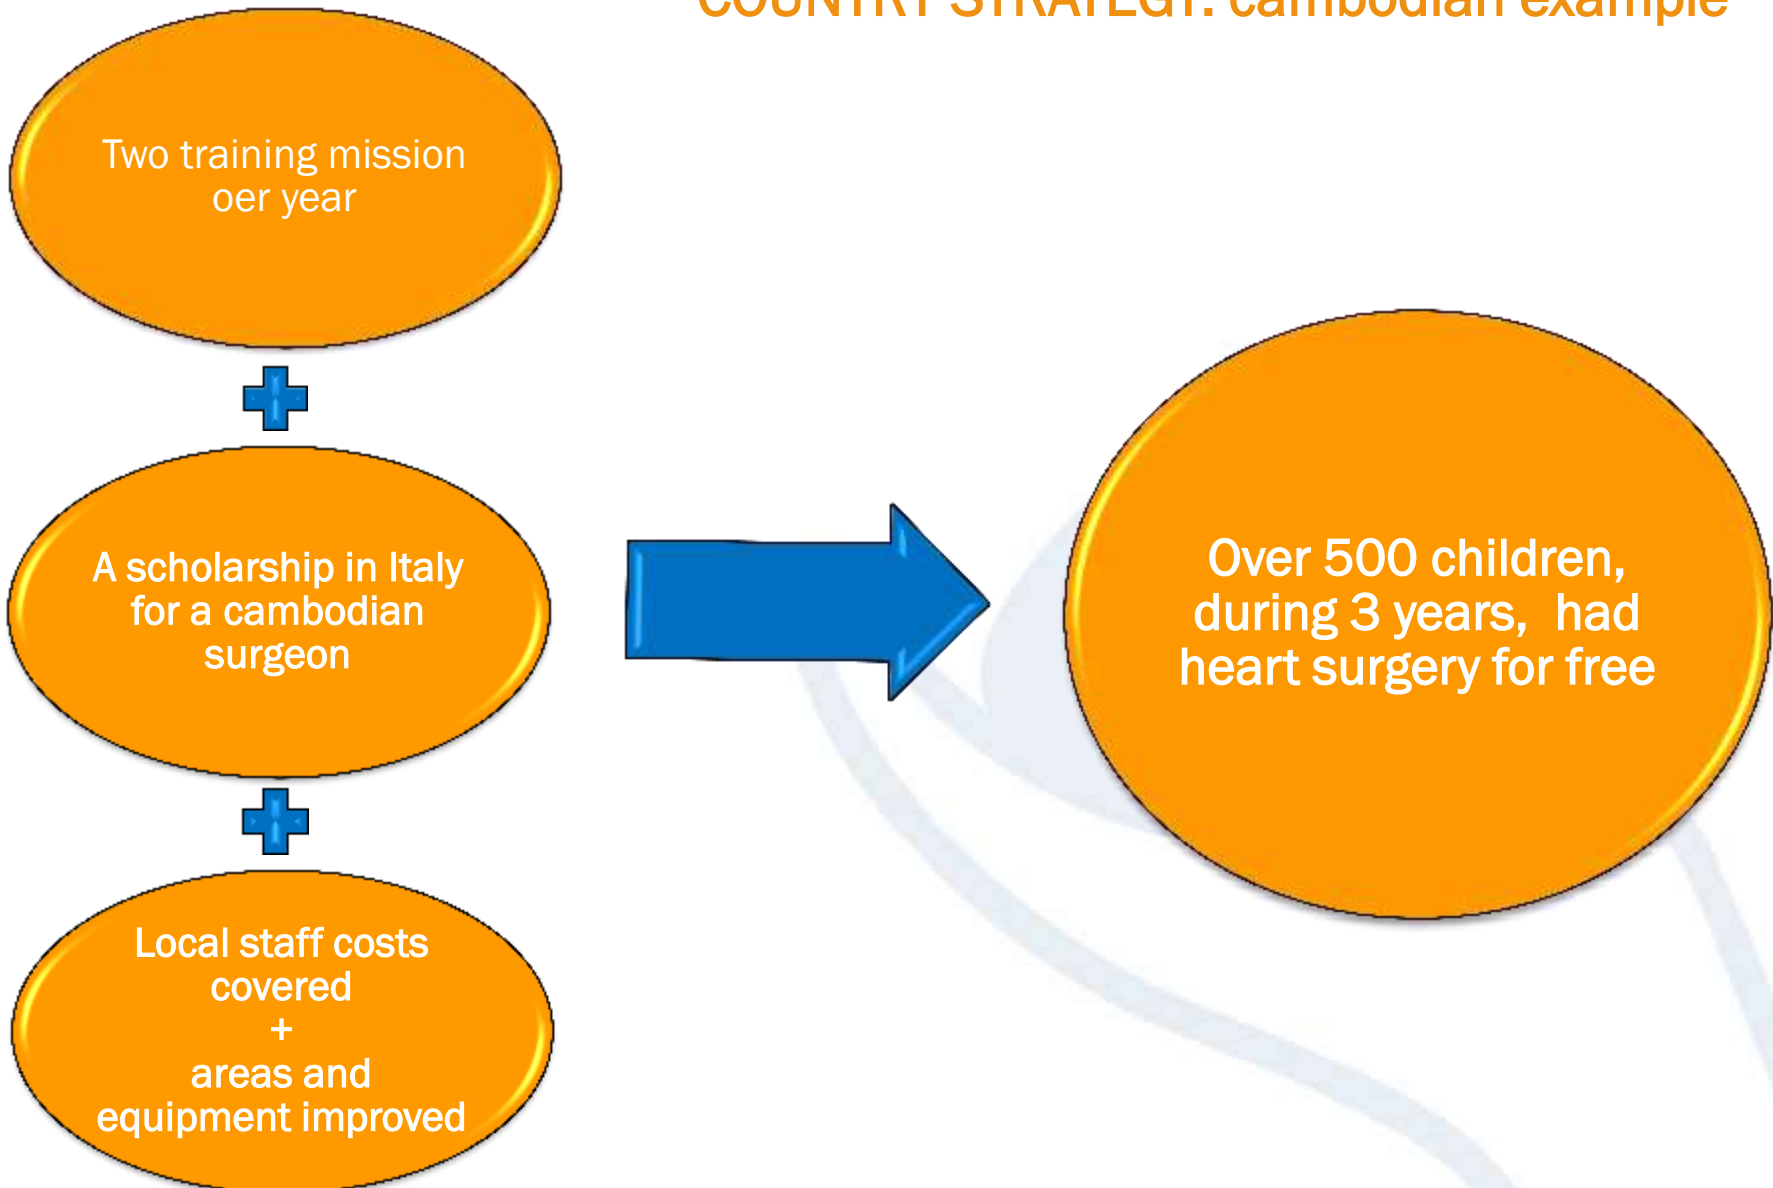

VISION: opportunity for children affected by heart diseases to receive surgery in their own country with affordable costs
